

SCIPS is proud to announce the ACE+ program
Achieving Career Engagement is now on offer to all community
and family members.

Do you need support as you return to the workforce or look to changing your current employment status?

If so, ACE+ is now available to you as a means of improving your employability, whilst building your language, literacy, numeracy and digital acumen skills through a supportive, program that is offered at **NO COST TO YOU!**

We work with people of all ages to build their support networks, confidence and connectivity to their local community as they return to work or look to 'changing up' their employment role and goals.

So what is ACE+? Working one on one and in small groups to build your capability skill set, we link you with industry mentors and progress you towards your job and career goals.

The SCIPS team is funded through the Skilling Queenslanders for Work initiative to work with you to gain an employability ready skill set based on:

- Personal Attributes
- Proactive Social Behaviours
- Communication and Customer Focus
- Collaboration and Creativity
- Supportive Work Engagement
- Employability Mentorship
- Cultural Awareness and
- Digital Acumen

Sessions will be held at Annerley and Sunnybank. Both daytime and afternoon/evening sessions are on offer to all participants.

We can't wait to welcome you to ACE+!

Want to discuss how we can help you? Let SCIPS create positive outcomes for you, your family members and friends.
