

IT'S NOT TOO LATE TO BE A PART OF

# THE NATIONAL CHILDREN & YOUTH HOMELESSNESS CONFERENCE

2 DAY EVENT IN PERSON & ONLINE

FOLLOW US #NCYHC23

This is the only national event which gives a primary focus to children and youth homelessness. Be part of a growing number of practitioners, services, organisations, advocates and young people wanting to make a real difference.

## WHY ATTEND THE NCYHC 2023?

Be part of a push for a **collaborative national plan to address child and youth homelessness** - one which involves government; the NFP sector, other sectors and young people with lived experience. This conference is where we draw a line in the sand and start to come together and **demand more from the Australian government** to address child and youth homelessness.

**24-25 JULY 2023**
